

Dear Readers,

As you can see, we are still not on the automated system, but we are apparently quite close. To that end, would you please take a moment in the next few days to let me know if you would like to be assigned to the same mass as another family member, in the event that he or she is a member of another ministry? For example, if you had a spouse or a child who was a greeter, would you like to all be scheduled at the same time? I don't think it affects too many of us, but in the event that you are one that it does, please let me know. The new system is capable of ensuring that you are all scheduled together.

Thank you all again for your generosity in volunteering to participate in the Passion readings, the Triduum, and Easter Sunday. Without you, there is no lector ministry.

God bless!

Pat
