EUCCHARISTIC ADORATION WORKSHOP

In response to Pope John Paul II's call to revitalize devotion to the Blessed Sacrament, St. Elizabeth Seton Parish in Naperville will be hosting a Eucharistic Adoration Workshop for lay members of parishes in the Joliet Diocese on Saturday, September 6th from 8 AM until 4 PM. All parishioners who are interested in establishing eucharistic adoration in their parishes are encouraged to attend.

The workshop is timely in view of the recent encyclical letter of Pope John Paul II *Ecclesia de Eucharistia* on the Holy Eucharist. In it he says, "... adoration of the Blessed Sacrament ... becomes an inexhaustible source of holiness." He furthermore says that by praying before the Blessed Sacrament "... we are enabled to make contact with the very wellspring of grace."

"... adoration of the blessed Sacrament ... becomes an inexhaustible source of holiness."
--John Paul II

St. Elizabeth Seton Parish began Eucharistic Adoration in the John Paul II Eucharistic Adoration Chapel in April 2002 after a year of planning. The organizers of the program have benefited from the experiences, help, and advice of

many who came before them that have made their efforts easier.

Leaders of this workshop want to share this knowledge with members of other parishes who would like to start adoration or increase their hours but are hesitant to move forward. Now all parishes can "come and see" how the Holy Spirit can lead and guide them in establishing or increasing adoration.

TARGET AUDIENCE

The program is designed to involve the laity in the efforts to initiate and develop eucharistic adoration. The laity can shoulder most of the work in organizing and maintaining this devotion in a parish.

OBJECTIVES

By attending this workshop Catholics will:

- Gain insights into the power of an ongoing eucharistic adoration program
- Learn from others who have successfully implemented this program into their parish community
- Acquire the tools necessary to create a comprehensive eucharistic adoration program

PROGRAM

The workshop day will begin with the celebration of Mass and a keynote address by Bishop Roger L. Kaffer. Following this will be presentations by a variety of

speakers providing inspirational and practical input to help attendees in organizing eucharistic adoration in their parishes. The day will include a continental breakfast and a light lunch, take home materials and resources including a CD Rom diskette with an extensive manual.

Those in attendance will have the opportunity to visit the John Paul II Perpetual Adoration Chapel located on the St. Elizabeth Seton Campus.

Now all parishes can "come and see" how the Holy Spirit can lead and guide them in establishing or increasing adoration.

REGISTRATION

The cost of the workshop is \$20 per participant. The registration deadline is August 20th.
