Student Faith Formation

Handbook

2019-2020

Dear Parents,

Welcome to another year of Student Faith Formation. We are delighted to have the opportunity to work with you in helping your child grow in the Catholic faith. Together we are able to encourage our children to fully participate in the sacramental life of the Church, nurture their own spiritual growth and provide opportunities for putting their faith into action.

The Saint Elizabeth Seton parish family welcomes all and we would like to encourage you to invite your neighbors and friends and your children's friends, to join us for Mass and social events so that we have an opportunity to embody the power, beauty and consolation of God's love and grace.

This handbook covers pertinent information about our Student Faith Formation program and policies. **Please read the handbook and if you have not already done so, sign and return the Acknowledgment Form included in the registration packet and available on our website.**

We have an open-door policy and encourage your ideas, questions and comments. Our resources are available to all parents and catechists of children in the Student Faith Formation program. Our common goal is to pass on the rich traditions of our Catholic heritage and to lead the children to a deeper relationship with Jesus.

God's peace be with you and your family,

Deacon John Ripoll
Director, Parish Faith Formation

Student Faith Formation

We are entrusted with the responsibility of guiding the faith development of our parish students in a welcoming and safe environment.

Our mission is to teach, nurture, and share the faith with the children of the parish so that they will be rooted in the beliefs of the Catholic Church, living their faith, and sharing the Good News with others.

Early Childhood and Elementary Curriculum Goals and Objectives

Early Childhood

The goals of Early Childhood Student Faith Formation are for the children to grow in their knowledge and experience of God as a loving parent and Jesus as a friend and model. Children will listen to stories from scripture, observe the beauty of God's love through nature and experience God's love through their parents and others. They will learn they are part of another family, the Catholic Church.

Kindergarten

God Loves Us published by Loyola Press

- Learn how God created us and all things.
- Develop an understanding of belonging to our individual family and also God's family through Baptism.
- Deepen awareness to the Church's special times: Advent, Christmas, Lent, Easter, and Ordinary Times.
- Develop an appreciation of God's love for them and awareness that they can talk to God through prayer.
- Review the *Sign of the Cross* and learn the *Our Father*.

Elementary Student Faith Formation

The goal of Elementary Student Faith Formation is to present to our children the beliefs and practices of the Catholic tradition. They will read Scripture, develop an ability to pray formally, communally and personally, explore their call by God to life and membership in the Church and develop skills of Christian living. Classes meet for one hour and fifteen minutes following the respective grade level calendar.

First Grade

- Develop an understanding of belonging to the Catholic Church where all are welcome.
- Acquire an understanding of the Trinity; the Holy Spirit is God's presence among us.
- Comprehend that Jesus, God's Son was born in Bethlehem, lived among us, taught us how to pray, and died and rose to save us. Nativity story is studied and the First Graders create Nativity posters to enhance the Narthex.
- Recognize that we meet Jesus in our every day lives in the sacraments, in celebrating Mass and when we pray.
- First graders are taught how to live like Jesus. They gather for a Large Group experience, "**A Day in the Life of Jesus**" where they will rotate through different stations experiencing what the child Jesus might have experienced.
- Parents and children come together for an Advent Large Group event.
- Learn the *Hail Mary* and review the *Sign of the Cross*, and the *Our Father*.

Second Grade

Blessed, published by Dynamic Catholic

- Second graders will review Baptism and discuss being members of the Church where all are welcome.
- The Sacrament of Reconciliation is studied. God's forgiveness in the sacrament is explained and the notion of sin and its effect on others is discussed. Children and parents will gather for a **Reconciliation Retreat** to grow in awareness of this sacrament.
- The Sacrament of the Eucharist is explored and the fact that Jesus is really present in the bread and wine is presented. The children and parents come together for a **First Communion Retreat** to help them prepare for the sacrament.
- Mass is studied and Liturgy of the Word and Liturgy of the Eucharist are discussed. Mass responses are reviewed and practiced.
- Children will receive Reconciliation and Eucharist this year and the new prayer they will learn is the *Act of Contrition*.

Third Grade

Finding God published by Loyola Press

- Third graders learn that Jesus gave us His Church and He called the Apostles to carry on His mission.
- A deeper understanding of the saints is sought. Children research one saint and make a Saint Shield to be displayed.

- Third grade children will learn the four marks of the church (one, holy, Catholic, apostolic). They will study some of the core beliefs of the Catholic Church through their examination of the *Apostles Creed*.

- Participate in several Large Group activities and service projects.

Junior High Curriculum for Grade 7

Students in Grade 7 meet twice per month at the Church on alternating Mondays, from 6:30PM-8:00PM. The curricula used for 7th Grade is a combination of the *Chosen* and "*Altaration*" series by Ascension Press. These series will help the student develop a better understanding and appreciation of the Catholic sacramental life and its connection to their everyday activities.

These students also participate in Large Group events and other service related activities. Absence from catechetical classes or Large Group events will require make-up work. Only three excused absences are allowed. Contact your Child's catechist for make-up work. A variety of social activities will also be offered.

Grade 7 is an important transition year as the students develop their personal spiritual identity prior to preparing for the Sacrament of Confirmation the following year.

Confirmation Preparation for Grade 8 (also Grades 9 and 10 in 2019-20)

The goals of Confirmation Preparation are:

- to assist teens in understanding the beliefs of the Catholic Church;
- to lead teens in making a personal commitment to Christ through their Sacramental life, Prayer and Christian living;
- to empower them to minister within our parish community and to encourage growth in discipleship and mission through providing opportunities for serving others.

Grade 8 students will meet twice per month in the Church building for Small Group Meetings. Large Group Events such as service experiences, retreats, speakers and special events will be held. Absence from Small Group Meetings or Large Group Events requires make-up work. Contact your teen's Catechist for make-up work information. More than three absences will require an interview with the Director of Parish Faith Formation.

For 2019-20, students in Grades 9 and 10 will meet twice per month in the Catechist's home **or** at the Church, at the Catechists discretion with approval of the Student Faith Formation office.

Sacraments

The initial sacraments are always a beginning. Children will expand their understanding and experience of the sacraments as their faith deepens. Age, participation in catechetical formation, developmental understanding and personal faith appropriation and assent are all factors in the discernment of readiness.

Baptism

Baptism is a Sacrament of Initiation into the Catholic Church, the beginning of new life in Christ. All children enrolled in our program should be baptized. Unbaptized children in the Student Faith Formation program can also receive instruction and receive the Sacrament of Baptism prior to receiving First Reconciliation/Eucharist either as part of the Student Faith Formation Program or as part of the R.C.I.A. Program. Call Parish Office (630) 416-3325 for more information.

First Reconciliation

Reconciliation is a sacrament that requires a fundamental understanding of right and wrong. This sacrament celebrates the continual forgiveness that God extends to us. The focus is on God's mercy and willingness to always forgive us. It is through the power of the Holy Spirit that we are moved to recognize our sinfulness, to express our sorrow, and to ask for God's forgiveness.

In second grade, the students will come together to receive the sacrament at a First Reconciliation service. It is the norm that a child needs to be in the Student Faith Formation program for one year before he/she is able to receive the Sacrament of Reconciliation.

There is a program for older children who have yet to receive the Sacrament of Reconciliation. This provision includes a period of study followed by reception of the sacrament, usually in the spring.

First Eucharist

In the Sacrament of the Eucharist, Catholics have the primary, absolute sign of Christ's presence in their midst; the sharing of bread and wine as Jesus' own body and blood. Receiving the Eucharist for the first time represents the fullness of Christian initiation by closely uniting the person with the mystery of Jesus. After that first reception, frequently celebrating the Eucharist becomes a way for Catholics to deepen their lifelong initiation into Christ's life, death and resurrection.

Preparation for the reception of First Eucharist has as its base a simple understanding of the place of Jesus in Christian life. This includes an understanding that the Eucharist is not just ordinary bread and wine, but the body and blood of Christ, the real presence of Jesus Christ, with the potential to transform both the individual and the community.

Children should be in the Student Faith Formation program for one year before receiving the sacrament. The children will receive the Sacrament of Reconciliation prior to First Eucharist.

There is a program for older children who have yet to receive the Sacrament of Eucharist. This provision includes a period of study followed by reception of the sacrament, usually at the time of First Communion.

Confirmation

Confirmation is one of three Sacraments of Initiation: In Baptism, we die to sin and are born to new life with Christ. In the Eucharist, we nurture that new life with the Body and Blood of our Lord. In Confirmation, we receive the fullness of grace received at our Baptism and the gifts of the Holy Spirit enabling us to live that new life in a public way, bearing testimony to the grace of God alive within us. The three Sacraments of Initiation are intimately bound together, even though they may be received at different intervals in our lives.

In 2019-20, our parish is transitioning Confirmation preparation to the 8th Grade. In Confirmation preparation, students move from learning the faith to living the faith in their daily life. This is accomplished through community service projects, identifying their spiritual gifts, regular participation in the sacraments, and looking to the Saints as role models. Older students desiring to be confirmed should contact the Student Faith Formation Office for information.

Special Needs

REACH (Religious Education Apostolate for Christian Handicapped) program meets twice a month on Saturday mornings at St. Raphael Parish. One “Helper” is provided to assist each person in the program. For more information call: (630) 355-4545

All Kindergarten and First Grade will be held in the building.

Classes are regularly scheduled for Tuesdays 4:45 – 6:00PM, Wednesdays 3:45 – 5:00 PM

Other days and times are available as needed.

We offer one class per grade level (K-6) in the Lower Level of the church on two days per week. Additional days/times will be added if there is a need and if catechists come forward. Class size will be limited to approximately 12 students with two catechists. A family who meets the following criteria has the option of enrolling their children in the building:

- Three or more children enrolled in our Student Faith Formation program – grades preschool through eight
- Single parent family

Attendance

Regular attendance at Student Faith Formation classes is an important factor in the faith development of children. Parents are expected to inform catechists of absence in advance of class starting time.

Elementary Level (Gr. 1-5)

Three absences require make up work to be completed. Consult the Student Faith Formation Office for details. Three unexcused absences will result in parents being contacted by the Director of Student Faith Formation.

Junior High (Gr. 6-7)

Absence from any small group requires the completion of make-up work for each chapter missed. Catechists will provide copies of worksheets and these should be completed and returned to the catechist as soon as possible after the missed session.

Absence from Large Group events will also require make up work. This make up will depend upon the event missed but usually a comparable amount of time given to the service of others will be required. Your child’s catechist should be informed when make-up is completed. At the next registration, students with outstanding make-up work will not be placed in a class until all work has been completed.

Confirmation Preparation

Absence from both Small and Large Group Meetings will require a written make-up. Up to three absences only may be made up with written work. Make up work shall be turned in to the Student Faith Formation office. All make up work must be completed before Confirmation. More than three absences may result in the need for Confirmation Preparation year being repeated. All Candidates for Confirmation are expected to attend Mass weekly.

Arrival and Dismissal

Please be prompt with dropping off and picking up your children. The Catechist is not a babysitter and your child should not be dropped off more than five minutes before class and should be picked up at completion of class.

For children attending classes in the building, a parent should walk the child to and from the classroom for children in Kindergarten-Grade 2. Students should arrive 5 minutes before class. If parents are late arriving in picking up their children, the children will be waiting in the Student Faith Formation office.

Communication

Class lists and yearly calendars are mailed out to every family upon placement of students. The information included in the mailing will provide the names of the Catechist(s), location, day and time of the class. On a routine basis throughout the year, **email will be our primary tool for communication, so we ask that each family provide an email address that is checked regularly.**

- You will be notified with information regarding parent meetings, sacrament preparation and other special events by the Student Faith Formation Office as necessary.
- Catechists are encouraged to send letters or emails home with students as often as possible to keep parents up to date with all that is happening in the Student Faith Formation class. Catechists will pass on grade level specific information to the parents.
- Elementary Catechists will receive monthly newsletters via email. Additional information will be received by direct mail, email and through the bulletin.
- Parents will be notified by the Catechist and/or the Student Faith Formation Office of any class cancellations or changes.

Emergency Class Cancellation

- School District 203 Late Arrival Days will not impact Religion Classes.
- If Naperville School District 203 is closed due to an emergency situation, Student Faith Formation classes will be canceled. All events and meetings at the church are also canceled. Please check www.emergencyclosings.com Classes in the home must be canceled.
- If a class is cancelled or postponed by the individual catechist, the office should be notified of the change.
- The catechist should plan to make up the class on another day or to extend class the next two times to cover the material missed.

Fire Safety & Disaster

Minors in the Student Faith Formation program either in the home or parish setting, are made aware of the fire exits and procedures in the case of an emergency.

Health Concerns/Medication

Health concerns regarding your child should be conveyed to the Student Faith Formation Office at the time of registration. All notations on registration forms and permission forms are treated as highly confidential.

- Allergies should be listed.
- Prescription drugs should not be brought to class without the prior knowledge and consent of the Student Faith Formation Office and the catechist.
- Representatives of the Student Faith Formation Program will only dispense prescription drugs if a signed note from parents that includes directions for dosage is presented.
- In the event that medication must be administered due to participation in an overnight retreat or mission, a supervising adult will hold and dispense any medication.
- Medical information is required on permission forms so that if an emergency should arise during a Church sponsored event, the proper treatment may be sought.

Child Abuse

All catechetical ministers to minors, including SES leadership and catechists, are required, by state law to report evidence of reasonable suspicion of abuse and/or neglect of a minor to the Illinois Department of Child and Family Services. Catechists and classroom aides shall be required annually to sign the state form acknowledging that they are aware of their status as mandated reporters. The signed copy is to be kept on file in our office.

If such a reasonable suspicion of abuse or neglect arises, one must immediately report such a suspicion to the Illinois Department of Children and Family Services. (1-800-252-2873). Any individual reporting suspected abuse and/or neglect is, as soon as possible, to work with the appropriate catechetical leader to document the incident. Such documentation is to be retained in secure and confidential files. All such documentation and the circumstances surrounding any such report to D.C.F.S. are confidential under Illinois Statute and shall not be disclosed, except as provided by Illinois law.

In the event that a paid or volunteer parish minister is reported for suspected abuse of a minor, the Director of Diocesan Religious Education Office is also to be notified immediately.

If a child's behavior disrupts the learning process for him or herself or for others, the steps listed below will be followed to ensure that class participation may continue.

- At the first incident the child will be reminded of expected behavior (refer to posted classroom rules) and the consequences of misbehavior.
- After the second incident, a call will be made to the parents by the catechist informing the parents of the situation.
- If inappropriate behavior continues, the child will be sent home (parents will need to pick up their child). A meeting with the Director of Student Faith Formation will take place and a course of action will be determined.

If the child's behavior continues to disrupt learning, it may be necessary for further steps to be taken, up to and including dismissal from the program.

OFF-CAMPUS ACTIVITIES

Permission & Medical Forms

- All minors participating in a Parish or Diocesan sponsored outing are expected to have a permission & medical form signed by a parent or guardian of the minor.
- All staff and volunteers of Saint Elizabeth Seton must use this policy to take students to special events, programs, etc. that are away from the normal setting for Student Faith Formation.
- It is important for the Student Faith Formation Program to have information from parents regarding any health problems of their children. This information will be shared, as needed, with the appropriate catechists.
- It is important for parents/guardians to update the Student Faith Formation Office aware of any changes in pertinent health information.

Transporting Minors

- Permission form on file and in vehicle for all minors and for each event.
- Driver who is at least 25 years old.
- Has a current Drivers Information Form on file with the Student Faith Formation Office, which verifies the Driver has current valid Illinois State Driver's License and Vehicle Liability Insurance valid for the date of transportation.
- A copy of the driver's license and current insurance card needs to be on file in the parish. Anyone acting as an agent of Saint Elizabeth Seton for the purpose of helping with minors on any trip is expected to follow these rules.

Addendum Specific to High School Youth Ministry

Transportation to and from on-site or off-site events is the responsibility of the parents. We recommend that teens do not drive themselves to events but recognize that this is at the discretion of their parents. Further, we recommend that teens do not transport other teens to events.

Administration of Medication

Catechists should never administer medication, either prescription or non-prescription, to a minor participating in a catechetical session unless there is a signed permission form on file from the parents with clear instructions on how to administer the medication and under which conditions.

Adult Chaperones

For junior high and high school diocesan sponsored events, adult chaperones must be at least 21 years of age or older. A ratio of one (1) adult per ten (10) youth (unless directed differently) should be followed. Adult chaperones need to be familiar with the Diocesan Adult Chaperone Guidelines.

Safe Environment Education

The Diocese of Joliet has instructed us that “All Catholic schools and parish religious education programs in the Diocese of Joliet must offer instruction for children, grades K-12, and their parents, to prevent child sexual abuse.” This education effort is the companion to our requirement for all staff and volunteers who work with minors to go through Protecting God’s Children seminar and have a criminal Background Check. Parishes are only exempt from this requirement if local school districts are offering these programs. Naperville School Districts 203 and 204 cover safe environment topics in grades 6-12.

Safe environment education focuses on child awareness and assertiveness skills. Age appropriate sessions are offered to Student Faith Formation students in grades K-5. The Student Faith Formation Office has to report attendance at these sessions to the Diocese on an annual basis. Parents may elect to ‘opt-out’ their children from the parish instruction but they are to be provided with resources to enable them to teach the material at home.

RIGHT TO AMEND

This handbook is primarily a means of communication. It is meant to provide you, the parent/guardian, with helpful information on how we intend to go about our work. The St. Elizabeth Seton Catechetical Program reserves the right to amend this handbook as necessary. Parents will be notified, in writing, if changes are made to any procedures or information contained in this handbook.
